

## **ELECTRONIC PRESCRIPTIONS**

As per the current California guidelines Atlas Medical Consultants electronic medical system uses an electronic prescription service. Our physicians transmit e-prescriptions via a secured internet network directly to participating pharmacies.

Please list your pharmacy name, address, and phone number below.

Atlas Medical Consultants can download your pharmacy benefits and medication history through a secure internet network. This will allow your physician to prescribe medications covered by your health insurance plan and also prevent any medication allergies or duplicate prescriptions from being prescribed.

### **Consent:**

By signing below, I give my permission for Atlas Medical Consultants to download my information from the pharmacy. This is an optional service provided by Atlas Medical Consultants. If you do not wish to participate, feel free not to sign below.
